

PSA AND SPSF (SA BRANCH) NOVEMBER 2006 COUNCIL MEETING

PROTECTING THE PUBLIC SECTOR CAMPAIGN

The November Council Meeting held last night included a presentation on the PSA Protecting the Public Sector Campaign. The presentation was in recognition of the campaign receiving the award for **Best Campaign for 2006** at the SA Unions Awards Night. That award was accepted by PSA President Lindsay Oxlad and Industrial Officer Simon Johnson on 24 November at the Awards Night. This achievement reflects well on the courage of the PSA Council in approving the commencement of such a high profile campaign.

WORKCHOICES

Council also endorsed a motion to note the High Court Decision on WorkChoices and to re-endorse the commitment to support the ACTU campaign to have this anti-worker legislation overturned.
