PUBLIC SECTOR BILL

The PSA has major issues regarding the Bill relating to delegation of power to Chief Executives and reduced appeal mechanisms and a general reduction of members rights. It is expected that the Bill will be debated in the SA Parliament in the second half of February.

UPPER HOUSE CAMPAIGN

As part of the campaign a professionally produced DVD explaining the role and importance of the Upper House has been produced. The DVD was presented to Council and copies will be provided to PSA/CPSU Worksite Representatives at a reps meeting on Friday 23rd January.
