

PSA AND SPSF (SA BRANCH) JUNE COUNCIL MEETINGS

The PSA and SPSF (SA Branch) Councils met on Monday 18 June. Highlights from the meetings included:

WORKCHOICES ENQUIRY

Council noted the PSA submission to the Inquiry into the impact of Work Choices being conducted by the SA Industrial Relations Commission.

The submission, which is available on the PSA web-site, points out that the legislation has made the resolution of industrial problems much more difficult and disadvantaged members as a result in areas where terms and conditions are now subject to the new Federal system.

STRATEGIC PLAN

Council approved the PSA Strategic Plan for 2007-2012. The overall 5 year direction continues with the inclusion of an emphasis on particular changes including WorkChoices, Public Sector "Reform" and proposed changes to the Public Sector Management Act and the impact of Shared Services.

APPOINTMENT

Council appointed Sharon Henderson (ASO Premier and Cabinet - Industrial Relations Commission) to fill a casual vacancy on Council.
